Your assignment

- Study **your own PowerPoints** as you did last week, and **choose** the **slides you want to show** in the final PPT.
  It must be **relevant slides** – related to the assignments, and not e.g. architecture! It must be about constructions and materials in **single family houses**.
- **Create a new PowerPoint** with the selected slides.
- **Each group member** must be responsible for **two slides** that they must present - these slides must be provided with the **name of the** group **member in charge**.
  Group with 4 members = 8 slides + 1 front page
  Group with 5 members = 10 slides + 1 front page

Your assignment

- **Tomorrow morning some** of the **groups** are lucky to be able to **present their PPT live**, if they are drawn in the ***Wheel of Fortune***.
  Prepare and rehearse your presentation.
  Bring the PPT on a USB-pen
- Today the PowerPoint must be done **with speech / voiceover**. **Each group member** must record the **two slides** they are responsible for.
- **Each slide** should take **about 1 minute** to show. So it is important that you think about what is **most important to tell!**
  Prepare and rehearse your presentation.

Your assignment

- **Upload** the PPT on the website **today.**
- **Name** the file/PPT: ***3.02-A05_ Your group number***
